**Saturday,
October 18th**

8:30 – 4 PM

**EBMUD
Watershed
Headquarters
on San Pablo
Reservoir**

**500 San Pablo Dam
Road, Orinda**

Cost: \$25

**Includes
refreshments and
training guides.**

Trout in the Classroom Teacher Training Program

Through a classroom experience of hatching fish eggs and coordinated activities, students experience first-hand the value of aquatic environments, the balance that must be met to maintain and preserve California's fisheries and aquatic habitats, and how their personal actions affect these valuable resources.

Successful completion of this training class qualifies teachers to apply for a permit to hatch fish, receive eggs and to receive classroom support and equipment to enable you to hatch fish in the classroom.

Teachers with classes in most parts of Alameda and Contra Costa County will be eligible to receive partial or complete funding to purchase needed equipment.

This program is cosponsored by California Department of Fish & Game, Diablo Valley Fly Fishers, Grizzly Peak fly Fishers, East Bay Municipal Utility District, East Bay Regional Park District, Mission Peak Fly Anglers and Try Valley Fly Fishers.

Questions? Contact Ethan Rotman at (415) 892-0460 erotman@dfg.ca.gov. For more information, visit www.classroomaquarium.org and click on SF Bay Area.

REGISTER

Mail form with a check for \$25 payable to *California Wildlife Foundation* to: Ethan Rotman, 2 Day Island, Novato CA 94945

Space is limited so register early!
